CHAPTER 56
EMPLOYEE STOCK OWNERSHIP PLAN (ESOP) FORMATION ASSISTANCE

261—56.1(85GA,HF648) Purpose. The authority is authorized to provide financial and technical assistance to businesses interested in establishing an employee stock ownership plan (ESOP). The purpose of this chapter is to create a program that will assist a business by (1) helping to determine whether an ESOP is a feasible form of ownership and (2) providing assistance to reduce the cost of forming an ESOP when it is feasible.

[ARC 1249C, IAB 12/25/13, effective 1/29/14]

261—56.2(85GA,HF648) Definitions. For purposes of this chapter, unless the context otherwise requires:

“*Applicant*” means a business applying for assistance under the program.

“*Authority*” means the economic development authority created in Iowa Code section 15.105.

“*Board*” means the members of the economic development authority appointed by the governor and in whom the powers of the authority are vested pursuant to Iowa Code section 15.105.

“*Business*” means a corporation eligible to become a qualified Iowa ESOP.

“*Director*” means the director of the authority.

“*Financial assistance*” means a payment made by the authority to an applicant approved for funding under the program.

[ARC 1249C, IAB 12/25/13, effective 1/29/14]

261—56.3(85GA,HF648) Program description.

56.3(1) Amount, form, and timing of assistance. The program provides financial assistance to businesses interested in establishing an ESOP. An applicant to the program may be approved for financial assistance in an amount equal to 50 percent of the cost incurred for obtaining a feasibility study conducted by an independent financial professional. The total amount of financial assistance provided to an applicant will not exceed \$25,000. The financial assistance may be provided in two tranches. The first tranche will be provided as a reimbursement of 25 percent of the cost of a feasibility study and will be remitted upon completion of the feasibility study. The second tranche will be provided as a reimbursement of 25 percent of the cost of the feasibility study and will be remitted only upon completion of an ESOP formation. A business that does not successfully complete the formation of an ESOP will not receive the second tranche. A business will be required to provide to the authority documentation establishing the costs incurred and the successful completion of all necessary transactions.

56.3(2) Application.

a. Each fiscal year in which funding is available, the authority will accept applications for assistance under the program and make funding decisions on a rolling basis.

b. Information on submitting an application under the program may be obtained by contacting the economic development authority. The contact information is:

Iowa Economic Development Authority
Office of General Counsel
200 East Grand Avenue
Des Moines, Iowa 50309
(515)725-3000
businessfinance@iowa.gov
<http://iowaeconomicdevelopment.com/>

56.3(3) *Approval of assistance.* The authority, with the assistance of an ESOP advisory panel, will consider, evaluate, and recommend applications for financial assistance under the program. The ESOP advisory panel will consist of individuals selected by the director who have demonstrated expertise in the formation and operation of ESOPs. Authority staff and the members of the advisory panel will review applications for financial assistance and score the applications according to the criteria described in rule 261—56.4(85GA, HF648). Applications deemed to meet the minimum scoring criteria will be submitted to the director for a final funding decision.

56.3(4) *Contract required.* If the director approves an applicant for financial assistance under the program, the authority will prepare an agreement stating the terms on which the financial assistance is to be provided, and the applicant shall execute the agreement before funds are disbursed under the program.

56.3(5) *Use of funds.* An applicant shall use funds provided only for the purpose of reducing the cost of forming an ESOP. The authority may require documentation or other information establishing the actual costs incurred for such formation. The financial assistance shall be provided to the applicant after the costs are incurred and on a reimbursement basis.

[ARC 1249C, IAB 12/25/13, effective 1/29/14]

261—56.4(85GA, HF648) Program eligibility, application scoring, and funding decisions.

56.4(1) *Program eligibility.* To be eligible under the program, an applicant shall meet all of the following requirements:

a. The applicant shall be a business interested in establishing an ESOP. To establish that this criterion is met, the applicant shall state the reasons for its interest in establishing an ESOP.

b. The applicant shall be, or be willing to become, an IRS subchapter C or subchapter S corporation. To establish that this criterion is met, the applicant shall include a copy of its articles and documentation establishing the applicable IRS election. An applicant not yet a corporation may be required to execute a letter of intent.

c. The applicant shall have a valuation that is sufficient to make an ESOP feasible. To establish that this criterion is met, the applicant shall provide information estimating the value of the business. This information may be a good-faith estimate. The authority will not set a specific minimum valuation; however, applicants are advised that a business with valuation less than \$5 million may not be considered a feasible candidate for an ESOP.

d. The applicant shall have a number of employees and a total payroll that are sufficient to make an ESOP feasible. To establish that this criterion is met, the applicant shall provide relevant payroll information. The authority will not set a specific minimum number of employees; however, applicants are advised that a business with fewer than 25 employees may not be a feasible candidate for an ESOP.

e. The applicant shall have a cash flow level sufficient to make an ESOP feasible. To establish that this criterion is met, the applicant shall provide relevant financial statements. The authority will not set a minimum cash flow level; however, applicants are advised that a business with cash flow less than \$500,000 may not be a feasible candidate for an ESOP.

f. The applicant is not a retail business.

g. The applicant is not a publicly traded company.

h. The applicant has not completed a feasibility study for purposes of exploring an ESOP formation.

i. The applicant has not engaged a feasibility service provider prior to July 1, 2013. An applicant who has engaged a service provider as of the time of application shall provide a copy of the engagement letter to the authority.

56.4(2) *Application scoring.* A business meeting the requirements of subrule 56.4(1) may apply to the authority for financial assistance under the program. The authority will review applications for completeness and engage an ESOP advisory panel for assistance in evaluating the applications. As part of the evaluation process, an applicant will be required to interview with authority staff and with members of the ESOP advisory panel about the applicant's business, future plans, and interest in forming an ESOP. Authority staff and members of the ESOP advisory panel will evaluate the applications and give them an average numerical score between 0 and 100. The numerical score will reflect the extent to

which an applicant is a feasible candidate for an ESOP. In determining the numerical score, the authority and the members of the advisory panel will take into account the extent to which each applicant meets the requirements of subrule 56.4(1). The authority will keep records of the scoring process and make those records available to applicants.

56.4(3) *Funding decisions.* Each application, including its numerical score, will be referred to the director with a recommended funding decision. The director will make the final funding decision on each application, taking into consideration the score and the funding recommendation of the ESOP advisory panel. The director may not approve funding for an application that receives an average score of less than 50 points.

[ARC 1249C, IAB 12/25/13, effective 1/29/14]

261—56.5(85GA, HF648) Contract required. Each applicant that is approved for financial assistance under the program shall enter into an agreement with the authority. The agreement shall establish the terms on which the financial assistance is to be provided.

[ARC 1249C, IAB 12/25/13, effective 1/29/14]

These rules are intended to implement 2013 Iowa Acts, House File 648, section 9.

CHAPTER 3 MULTIFAMILY HOUSING

MULTIFAMILY LOAN PROGRAM

265—3.1(16) Purpose. Through its multifamily loan program (program), the authority seeks to preserve the existing supply of affordable rental units at risk of being lost and to foster the production of new affordable rental units in the state.

265—3.2(16) Available funds. The authority anticipates that it will, from time to time, publicize the approximate amount of funds available under this program on the authority's Web site at www.iowafinanceauthority.gov.

265—3.3(16) Intent of the authority. It is the authority's intent to allow maximum discretion and flexibility to be used by those applying for assistance under this program, and to allow discretion and flexibility to be used by the authority in its analysis and awarding of loans and grants under this program. It is the position of the authority that such discretion and flexibility are essential to structuring transactions that will work to foster affordable housing in the state in a manner that best serves the citizens of the state.

265—3.4(16) Application procedure. Applications for assistance under this program must be made on forms and in the manner provided by the authority. Inquiries with respect to this program should be made to those persons identified on the authority's Web site as contacts for this program. Once contacted with an inquiry, the authority will send an application package to the potential applicant. The authority will take such applications from time to time and will analyze and award loans to applicants on an ongoing basis. It is the position of the authority that such flexibility in taking and reviewing applications and making awards will best serve to foster affordable housing in the state.

265—3.5(16) Program guidelines. For-profit and nonprofit sponsors are eligible to apply for assistance under this program.

3.5(1) Projects eligible for assistance must meet the following criteria:

- a.* Both a demonstrated market need for the units must exist and the project must be in a good location, as determined by the authority in its sole discretion.
- b.* Assistance provided under this program must enable the project to maintain financial feasibility and affordability for at least the term of the assistance.
- c.* Maintenance and debt service reserve funds must be adequately funded, as determined by the authority in its sole discretion.
- d.* The maximum loan term is 24 months for construction financing and 40 years for permanent financing.
- e.* At least 75 percent of the units must be restricted to tenants whose income is at or below 80 percent of the area median income and have rents that are affordable.
- f.* Projects must have at least five units.
- g.* Rescinded IAB 12/25/13, effective 1/29/14.
- h.* Construction and permanent financing may be awarded to projects under the program.
- i.* Borrowers must covenant to observe certain compliance measures, including a recorded agreement to ensure long-term affordability.
- j.* A title guaranty certificate from the authority's title guaranty division is required on all loans, unless specifically waived by the authority.
- k.* A local contributing effort, consistent with Iowa Code section 16.4(3), in an amount of up to 1 percent of the proposed loan may be required by the authority, if feasible, for loans made under this chapter. If a local contributing effort is required, evidence of such local contributing effort shall be presented to the authority.
- l.* The authority may require a change of management or general partner when appropriate.

m. FHA-insured loans may be available through the Multifamily Accelerated Processing (MAP) of HUD, if the authority is an approved MAP lender at the time of the loan closing. The authority may require or suggest such a MAP loan for any and all projects applying for assistance. In addition, the authority may participate in the HUD Risk-Sharing Program and may suggest or require such a loan for any and all projects applying for assistance.

n. Rescinded IAB 12/25/13, effective 1/29/14.

o. Recipients must execute such documents and instruments, and must provide such information, certificates and other items as determined necessary by the authority, in its sole discretion, in connection with any assistance.

3.5(2) Maximum loan fees are as follows:

a. Commitment fee (construction period) - 1.0 percent of total development costs.

b. Commitment fee (permanent loan) - 2.0 percent of loan amount.

c. Inspection fee (construction period) - \$500 per inspection; inspections will typically occur with each draw on a monthly basis during construction.

d. Application fee - 0.3 percent of proposed loan amount.

e. Asset management fee - calculated as \$25 per unit × number of total project units; submitted annually on or before January 31.

The authority may, in limited cases, reduce such fees if necessary in connection with assistance provided under this program. Such decision will be made in the sole discretion of the authority.

265—3.8(16) Multifamily loan program for workforce housing loan assistance. Projects eligible for loans under this category must satisfy the following conditions, in addition to (or instead of, if there is a conflict) the requirements of rule 265—3.5(16):

3.8(1) A loan made under this category (the “primary loan”) shall be made to an Iowa city or county for the purpose of being reloaned by the borrower in order to provide financial assistance to an identified project to rehabilitate or create new rental workforce or affordable multifamily housing within the borrower’s jurisdiction (the “secondary loan”). The authority may restrict the use of funds to a designated portion of the borrower’s jurisdiction.

3.8(2) At least 50 percent of the housing units rehabilitated or created with the proceeds of the secondary loan shall be restricted to families whose annual income at the time of leasing is at or below 120 percent of the area median income, unless the authority agrees otherwise.

3.8(3) The primary loan may be unsecured, but it shall constitute a general obligation of the borrower.

3.8(4) Preference under this category shall be given to cities and counties that can document an increased need for housing as the result of new job creation within their jurisdiction.

3.8(5) The borrower shall use funds received in repayment of the secondary loan first to make the scheduled principal and interest payments on the primary loan. Any secondary loan payments remaining after all then-due scheduled payments on the primary loan have been repaid may be reloaned by the borrower on the same basis as if such secondary loan payment amounts were proceeds of the primary loan.

Authority staff will analyze and underwrite each potential project, and will make recommendations for funding assistance to the board of the authority. Authority staff will use such procedures and processes in its underwriting and analysis as it deems necessary and appropriate in connection with furthering the purposes of this program. In addition, the authority anticipates that because of the complex nature of each transaction, and the particular sets of circumstances attributable to each particular application/transaction, that the terms and conditions of loans will vary from project to project. The authority will make available its general operating procedures and guidelines for this program, as such may be revised from time to time.

“Eligible service member” means a person purchasing his or her primary residence in the state of Iowa who, at the time of applying for a grant under the program, (1) is or was a member of the national guard, reserve, or regular component of the armed forces of the United States under Title 10 or Title 32 and has served at least 90 days of active duty service, other than training, beginning on or after September 11, 2001, and, if no longer in active service, was discharged in character other than dishonorable; (2) was honorably discharged due to injuries incurred while on active federal service beginning on or after September 11, 2001; or (3) is a surviving spouse of a service member who met the eligibility criteria of (1) or (2) above.

“Home ownership assistance” means the one-time assistance of up to \$5,000 per eligible service member that may be used toward down payment or closing costs, or both, in the purchase of a qualified home. This assistance does not require repayment except pursuant to rule 265—27.4(16).

“Participating lender” means a lender approved for participation in one or more of the authority’s home buyer programs and a lender approved to facilitate loans under the military home ownership assistance program only. Eligible home buyer program participating lenders are those that make available the authority’s home buyer program to customers in the same manner as other mortgage loan programs. This requirement applies to branch and affiliate organizations that facilitate mortgage financing with the military assistance. The authority may require participating lenders to provide evidence of proof of compliance, such as origination of mortgage loans made pursuant to one or more of the authority’s home buyer mortgage programs or mortgage rate sheets evidencing availability of the authority’s mortgage programs. The authority maintains a list of participating lenders on its Web site: www.iowafinanceauthority.gov.

“Program” or *“military home ownership assistance program”* or *“MHOA”* means the military service member home ownership assistance program authorized by Iowa Code section 16.54 as amended by 2010 Iowa Acts, House File 2148.

“Qualified home” means a home that is located in the state of Iowa, that is purchased by an eligible service member as the service member’s primary residence, that will be immediately occupied by the service member or spouse, and that falls into one of the following categories:

1. Single-family residence, including “stick-built” homes, modular homes, or manufactured homes, provided the home is attached to a permanent foundation and is taxed as real estate;
2. Condominium;
3. Townhome;
4. A property containing two to four residential units, where one unit is to be occupied by the eligible service member as his or her primary residence.

The following categories of property shall not constitute a qualified home:

- Multifamily properties of five units or more;
- Commercial or nonresidential property;
- Farmland or other investment property;
- Recreational vehicles, mobile homes, or trailers that are not both attached to a permanent foundation and taxed as real estate.

“Qualified mortgage” means a permanent mortgage loan made pursuant to one of the authority’s home buyer mortgage programs unless the lender offers a lower annual percentage interest rate (APR), fixed-rate, fully amortizing first mortgage or, in cases where the home buyer is not eligible for standard

30-year, fixed-rate FHA, RD, VA, Fannie Mae, or Freddie Mac mortgage financing, any permanent, fully amortizing mortgage loan made by a participating lender with a maturity date of not less than five years. The authority's home buyer mortgage program information may be obtained on the authority's Web site at www.iowafinanceauthority.gov.

"Status documentation" means written documentation of the applicant's status with the armed forces of the United States, typically a copy of a valid DD Form 214, showing character of service other than dishonorable, or the applicant's most recent four months of leave and earnings statements.

"Title guaranty certificate" means the certificate issued by the title guaranty division of the authority pursuant to Iowa Code section 16.92 to ensure marketable title to the lender or the homeowner, or both. Information about title guaranty may be obtained at the title guaranty Web site at www.iowafinanceauthority.gov.

265—27.3(16) Application procedure and determination of eligibility.

27.3(1) Prior approval. Whether the purchase of a qualified home is by mortgage financing or cash, prior approval of the assistance by the authority is required. Approval of the request will entail application and supporting document review by the authority and a determination of the service member's eligibility by the Iowa department of veterans affairs. A minimum of two weeks should be allowed for response from the authority.

27.3(2) Financed home purchases.

a. In the case of the purchase of a qualified home that is to be financed, the eligible service member must apply for assistance under the program through a participating lender or a lender approved to facilitate MHOA assistance. The mortgage financing provided shall be a mortgage loan made pursuant to one of the authority's home buyer mortgage programs if the service member qualifies for it; provided, however, that notwithstanding the foregoing, a service member may utilize a mortgage loan that is not made pursuant to one of the authority's home buyer mortgage programs which is from a lender approved to facilitate MHOA assistance if such mortgage loan has an annual percentage rate that is at least 25 basis points lower than the most nearly equivalent loan offered by participating lenders on the same date pursuant to one of the authority's home buyer mortgage programs. If the service member does not qualify for one of the authority's home buyer mortgage programs, another permanent, fully amortizing mortgage loan may be used.

b. To apply for the military assistance, the eligible service member shall provide the lender with all of the following:

- (1) Status documentation;
- (2) A bona fide purchase agreement with any addenda or attachments for a primary residence;
- (3) A complete loan application on Form 1003;
- (4) A copy of a government-issued photo identification card;
- (5) A copy of the subject appraisal; and
- (6) Documentation that demonstrates the home will be occupied as a primary residence.

c. The eligible service member shall assist the participating lender in completing an MHOA application on a form approved by the authority stating the amount of the assistance being requested. In the event the service member is not using one of the authority's mortgage programs, the request submission must include early truth-in-lending and good-faith estimate disclosures, and, if the service member is not eligible for a 30-year, fixed-rate mortgage loan, the request submission must also include fully amortized financing and information documenting ineligibility for FHA, VA, RD, Fannie Mae or Freddie Mac financing.

d. Once it has received all of the information required by this subrule, the lender shall transmit copies of the loan application, the status documentation, the purchase agreement, the photo ID, the appraisal, any necessary supporting documentation, and the MHOA application to the authority.

27.3(3) Cash home purchases. In the case of a cash purchase of a qualified home, the eligible service member shall provide directly to the authority status documentation, a completed MHOA application

form obtained from the authority, and a bona fide purchase agreement with any addenda or attachments for a primary residence.

27.3(4) *Referral of status documentation to Iowa department of veterans affairs.* Upon receipt of the completed MHOA application, the authority shall submit the status documentation to the Iowa department of veterans affairs for verification that the applicant's duty status is consistent with the definition of "eligible service member." The Iowa department of veterans affairs shall be the final authority as to whether an applicant's duty status is consistent with the definition of "eligible service member."

27.3(5) *Notice of MHOA approval.* Upon confirmation of the applicant's service record by the Iowa department of veterans affairs, provided that the information submitted on the application form complies with the requirements of this chapter, the authority shall notify the lender, or eligible service member in the case of a cash purchase, that the MHOA application has been approved.

27.3(6) *Gaps in funding.* In cases where the military assistance funds are unavailable during the home purchase process, MHOA requests for approval shall be placed on a waiting list. When funds are again available, provided that all other criteria have been met, including issuance of the title guaranty certificate, and where the home purchase closed without the benefit of military assistance funds being applied toward closing costs or down payment, the proceeds of the assistance shall be paid (1) directly to the participating lender/servicing lender to be applied toward the qualified mortgage loan's principal balance, or (2) if the qualified home was purchased pursuant to a cash purchase transaction, directly to the eligible service member. Additional documentation required shall include a statement executed by the applicant authorizing the assistance to be applied to the principal balance.

27.3(7) *Approval process for facilitating lender status.* An Iowa-regulated or federally regulated lender with a physical location in the state of Iowa may submit an application to the authority for approval, even if such lender does not participate in the authority's home ownership programs for home buyers. The application shall include a written request to be approved as an MHOA facilitating lender, a check for \$500 payable to the authority, a narrative describing the lender's mortgage origination process, including mortgage loan products offered through the lender, documentation of Iowa or federal regulation showing that the applicant is in good standing, an errors and omissions insurance declaration evidencing coverage of at least \$300,000, and a completed electronic funds transfer form. Lenders should allow a minimum of two weeks' response time from the authority. The approval to be a facilitating lender shall be valid for one year, and lenders annually will need to submit an application, including the application fee. The application fee may not be charged in part or in full to a service member or to a property seller.

265—27.4(16) MHOA award. Assistance awarded hereunder shall be up to \$5,000 toward the purchase of a qualified home and may be used for down payment or for closing costs, or for both. Assistance funds must be applied to the purchase of a qualified home and, in the case of mortgage financing, the mortgage must be a qualified mortgage. Any assistance proceeds which are not used for down payment or closing costs toward the purchase of a qualified home which is financed by a mortgage or cash purchase transaction must be returned to the authority.

27.4(1) *MHOA reimbursement.* The participating lender or cash payment home buyer shall advance funds at closing in an amount equal to the amount of the assistance on behalf of the eligible service member to be applied toward closing costs or the down payment. The lender or cash payment home buyer, as applicable, shall, within 30 days of closing, submit to the authority a copy of the executed HUD-1 Settlement Statement (or, if the transaction is a cash purchase, the eligible service member may use the settlement statement certified by a closing agent and the eligible service member), a copy of the deed conveying title to the qualified home, a copy of a title guaranty certificate issued for the qualified home, and the military grant agreement and certification (form obtained from the authority) for reimbursement for the amount of the assistance. In the event the mortgage financing is not made

pursuant to one of the authority's home buyer programs, reimbursement documentation shall include a certified copy of the promissory note, mortgage, and final truth-in-lending disclosure.

27.4(2) MHOA assistance restrictions and limitations. All assistance under the program is subject to funding availability. Assistance will be awarded in the order in which completed MHOA applications are received. Assistance awarded pursuant to the program is personal to its recipient and may not be assigned. Only one award of assistance shall be awarded per home purchase. An eligible service member shall receive only one award under the program. While program funds are available, the award shall be valid for 60 days in the case of purchases of existing or completed property and 120 days in the case of purchases of property being constructed or renovated. A reasonable extension may be granted with evidence of a purchase loan in progress which has been delayed due to circumstances beyond the service member's control.

265—27.5(16) Income, purchase price and qualified mortgage. There are no income or purchase price limits under the program except for eligible service members purchasing with mortgage financing under one of the authority's home buyer programs. Service members who are not eligible for one of the authority's home buyer mortgage programs and are not purchasing on a cash basis must use other permanent mortgages made by the lender. Service members may also, if eligible, use other subsidy funds from the authority as allowed by one or more of the authority's programs, grant fund assistance available through other public agencies, nonprofit organizations, or the service member's employer, or any forgivable, "soft second" lien subsidy. Information about the authority's home buyer programs or how to contact a participating lender may be obtained on the authority's Web site at www.iowafinanceauthority.gov.

INTEREST, PENALTY, EXCEPTIONS TO PENALTY, AND JEOPARDY ASSESSMENTS

[Prior to 12/17/86, Revenue Department[730]]

Rules 701—10.20(421) to 701—10.111(422A) are excerpted from 701—Chs 12, 30, 44, 46, 52, 58, 63, 81, 86, 88, 89, 104, IAB 1/23/91

701—10.1(421) Definitions. As used in the rules contained herein, the following definitions apply unless the context otherwise requires:

10.1(1) “*Department*” means the department of revenue.

10.1(2) “*Director*” means the director of the department or authorized representative.

10.1(3) “*Taxes*” means all taxes and charges arising under Title X of the Iowa Code, which include but are not limited to individual income, withholding, corporate income, franchise, sales, use, hotel/motel, railroad fuel, equipment car, replacement tax, statewide property tax, motor vehicle fuel, inheritance, estate and generation skipping transfer taxes and the environmental protection charge imposed upon petroleum diminution due and payable to the state of Iowa.

701—10.2(421) Interest. Except where a different rate of interest is provided by Title X of the Iowa Code, the rate of interest on interest-bearing taxes and interest-bearing refunds arising under Title X is fixed for each calendar year by the director. In addition to any penalty computed, there shall be added interest as provided by law from the original due date of the return. Any portion of the tax imposed by statute which has been erroneously refunded and is recoverable by the department shall bear interest as provided in Iowa Code section 421.7, subsection 2, from the date of payment of the refund, considering each fraction of a month as an entire month. Interest which is not judgment interest is not payable on sales and use tax, local option tax, and hotel and motel tax refunds. *Herman M. Brown v. Johnson*, 248 Iowa 1143, 82 N.W.2d 134 (1957); *United Telephone Co. v. Iowa Department of Revenue*, 365 N.W.2d 647 (Iowa 1985). However, interest which is not judgment interest accrues on such refunds on or after January 1, 1995, and is payable on sales and use tax, local option tax and hotel and motel tax refunds on or after January 1, 1995.

10.2(1) Calendar year 1982. The rate of interest upon all unpaid taxes which are due as of January 1, 1982, will be 17 percent per annum (1.4% per month). This interest rate will accrue on taxes which were due and unpaid as of, or after, January 1, 1982. In addition, this interest rate will accrue on tax refunds which by law accrue interest, regardless of whether the tax to be refunded is due before, on, or after January 1, 1982. This interest rate of 17 percent per annum, whether for unpaid taxes or tax refunds, will commence to accrue in 1982.

EXAMPLES:

1. The taxpayer, X corporation, owes corporate income taxes assessed to it for the year 1975. The assessment was made by the department in 1977. On January 1, 1982, that assessment had not been paid. The rate of interest on the unpaid tax assessed has accrued at the rate of 9 percent per annum (0.75% per month) through December 31, 1981. Commencing on January 1, 1982, the rate of interest on the unpaid tax will thereafter accrue at the rate of 17 percent per annum for 1982 (1.4% per month). If the tax liability is not paid in 1982, the rate of interest will then accrue in 1983 in accordance with the rate fixed by the director as set forth in Iowa Code section 421.7.

2. The taxpayer, Y, owes retail sales taxes assessed to it for the audit period January 1, 1979, through December 31, 1982. The assessment is made on March 1, 1983. For the tax periods in which the tax became due prior to January 1, 1982, the interest rate on such unpaid sales taxes accrued at 9 percent per annum (0.75% per month). Commencing on January 1, 1982, the entire unpaid portion of the tax assessed which was delinquent at that time will begin to accrue interest at the rate of 17 percent per annum. Those portions of the tax assessed first becoming delinquent in 1982 will bear interest at the rate of 17 percent per annum (1.4% per month). In the event that any portion of the tax assessed remains unpaid on January 1, 1983, the rate of interest will then accrue in 1983 in accordance with the rate fixed by the director as set forth in Iowa Code section 421.7.

3. The taxpayer, Z, files a refund claim for 1978 individual income taxes in March 1982. The refund claim is allowed in May 1982, and is paid. Z is entitled to receive interest at the rate of 9 percent per annum (0.75% per month) upon the refunded tax accruing through December 31, 1981, and is entitled

to interest at the rate of 17 percent per annum (1.4% per month) upon such tax from January 1, 1982, until the refund is paid.

4. A's 1981 individual income tax liability becomes delinquent on May 1, 1982. A owes interest, commencing on May 1, 1982, at the rate of 17 percent per annum (1.4% per month). In the event that A does not pay the liability in 1982, the rate of interest will then accrue in 1983 in accordance with the rate fixed by the director as set forth in Iowa Code section 421.7.

5. Decedent died December 15, 1976. The inheritance tax was due 12 months after death, or December 15, 1977. Prior to the due date, the estate was granted an extension of time, until September 1, 1978, to file the return and pay the tax due. The tax, however, was paid March 15, 1982. Interest accrues on the unpaid tax during the period of the extension of time (December 15, 1977, to September 1, 1978) at the rate of 6 percent per annum. Interest accrues on the delinquent tax from September 1, 1978, through December 31, 1981, at the rate of 8 percent per annum. Interest accrues on the delinquent tax from January 1, 1982, to the date of payment on March 15, 1982, at the rate of 17 percent per annum.

6. B files a refund for sales taxes paid for the periods January 1, 1979, through December 31, 1982, in March 1983. The refund is allowed in May 1983. Since no interest is payable on sales tax refunds, B is not entitled to any interest. *Herman M. Brown Co. v. Johnson*, 248 Iowa 1143 (1957). However, interest accrues and is payable on and after January 1, 1995.

The examples set forth in these rules are not meant to be all-inclusive. In addition, other rules set forth the precise circumstance when interest begins to accrue and whether interest accrues for each month or fraction of a month or annually as provided by law. Interest accrues as provided by law, regardless of whether the department has made a formal assessment of tax.

10.2(2) Calendar year 1983. The rate of interest upon all unpaid taxes which are due as of January 1, 1983, will be 14 percent per annum (1.2% per month). In addition, this interest rate will accrue on tax refunds which by law accrue interest, regardless of whether the tax to be refunded is due before, on, or after January 1, 1983. This interest rate of 14 percent per annum, whether for unpaid taxes or tax refunds, will commence to accrue in 1983.

701—10.3(422,423,450,452A) Interest on refunds and unpaid tax.

10.3(1) Interest on refunds. For those taxes on which interest accrues on refunds under Iowa Code sections 422.25(3), 422.28, 450.94, and 452A.65, interest shall accrue through the month in which the refund is mailed to the taxpayer and no further interest will accrue unless the department did not use the most current address as shown on the latest return or refund claim filed with the department.

10.3(2) Interest on unpaid tax. Interest due on unpaid tax is not a penalty, but rather it is compensation to the government for the period the government was deprived of the use of money. Therefore, interest due cannot be waived. *Vick v. Phinney*, 414 F.2d 444, 448 (5th CA 1969); *Time, Inc. v. United States*, 226 F.Supp. 680, 686 (S.D. N.Y. 1964); *In Re Jeffco Power Systems*, Dep't of Revenue Hearing Officer decision, Docket No. 77-9-6A-A (1978); *Waterloo Courier, Inc. v. Iowa Department of Revenue and Finance*, Case No. LACV081252, Black Hawk County District Court, December 30, 1999.

This rule is intended to implement Iowa Code sections 422.25(3), 422.28, 423.47, 450.94 and 452A.65.

[ARC 7761B, IAB 5/6/09, effective 6/10/09]

701—10.4(421) Frivolous return penalty. A \$500 civil penalty is imposed on the return of a taxpayer that is considered to be a “frivolous return.” A “frivolous return” is: (1) A return which lacks sufficient information from which the substantial correctness of the amount of tax liability can be determined or contains information that on its face indicates that the amount of tax shown is substantially incorrect, or (2) a return which reflects a position of law which is frivolous or is intended to delay or impede the administration of the tax laws of this state.

If the frivolous return penalty is applicable, the penalty will be imposed in addition to any other penalty which has been assessed. If the frivolous return penalty is relevant, the penalty may be imposed even under circumstances when it is determined that there is no tax liability on the return.

The frivolous return penalty is virtually identical to the penalty for frivolous income tax returns which is authorized in Section 6702 of the Internal Revenue Code. The department will follow federal guidelines and court cases when determining whether or not the frivolous return penalty should be imposed.

The frivolous return penalty may be imposed on all returns filed with the department and not just individual income tax returns. The penalty may be imposed on an amended return as well as an original return. The penalty may be imposed on each return filed with the department.

10.4(1) Nonexclusive examples of circumstances under which the frivolous return penalty may be imposed. The following are examples of returns filed in circumstances under which the frivolous return penalty may be imposed:

a. A return claiming a deduction against income or a credit against tax liability which is clearly not allowed such as a “war,” “religious,” “conscientious objector” deduction or tax credit.

b. A blank or partially completed return that was prepared on the theory that filing a complete return and providing required financial data would violate the Fifth Amendment privilege against self-incrimination or other rights guaranteed by the Constitution.

c. An unsigned return where the taxpayer refused to sign because the signature requirement was “incomprehensible or unconstitutional” or the taxpayer was not liable for state tax since the taxpayer had not signed the return.

d. A return which contained personal and financial information on the proper lines but where the words “true, correct and complete” were crossed out above the taxpayer’s signature and where the taxpayer claimed the taxpayer’s income was not legal tender and was exempt from tax.

e. A return where the taxpayer claimed that income was not “constructively received” and the taxpayer was the nominee-agent for a trust.

f. A return with clearly inconsistent information such as when 99 exemptions were claimed but only several dependents were shown.

g. A document filed for refund of taxes erroneously collected with the contention that the document was not a return and that no wage income was earned. This was inconsistent with attached W-2 Forms reporting wages.

10.4(2) *Nonexclusive examples where the frivolous return penalty is not applicable.* The following examples illustrate situations where the frivolous return penalty would not be applicable:

a. A return which includes a deduction, credit, or other item which may constitute a valid item of dispute between the taxpayer and the department.

b. A return which includes innocent or inadvertent mathematical or clerical errors, such as an error in addition, subtraction, multiplication, or division or the incorrect use of a table provided by the department.

c. A return which includes a statement of protest or objection, provided the return contains all required information.

d. A return which shows the correct amount of tax due, but the tax due is not paid.

This rule is intended to implement Iowa Code section 421.8.

701—10.5(421) Improper receipt of credit or refund. A person who makes an erroneous application for refund or credit shall be liable for any overpayment received plus interest at the rate in effect under Iowa Code section 421.7, subsection 2. In addition, a person who willfully makes a false or frivolous application for refund or credit with the intent to evade tax or with the intent to receive a refund or credit to which the person is not entitled is guilty of a fraudulent practice and is liable for a penalty equal to 75 percent of the refund or credit claimed.

This rule is intended to implement Iowa Code section 421.27 as amended by 2010 Iowa Acts, House File 2531, section 124.

PENALTY FOR TAX PERIOD BEGINNING AFTER JANUARY 1, 1991

701—10.6(421) Penalties. A penalty shall be assessed upon all tax and deposits due under the following circumstances:

1. For failure to timely file a return or deposit form there is a 10 percent penalty. This penalty, once imposed, will be assessed on all subsequent amounts due or required to be shown due on the return or deposit form.

EXAMPLE: The taxpayer fails to timely file a return and fails to timely pay the tax due. The department will assess a 10 percent penalty for failure to timely file the return but will not assess a 5 percent penalty for failure to timely pay. The department subsequently audits the untimely filed return and determines additional tax is due. The department shall assess a 10 percent penalty on the additional tax found due by an audit.

2. For failure to timely pay the tax due on a return or deposit form, there is a 5 percent penalty.

3. For a deficiency of tax due on a return or deposit form found during an audit, there is a 5 percent penalty. For purposes of this penalty, the audit deficiency shall be assessed only when there is a timely filed return or deposit form.

Audit deficiency occurs when the department determines additional tax is due.

4. For willful failure to file a return or deposit form with the intent to evade tax, or in the case of willfully filing a false return or deposit form with the intent to evade tax, there is a 75 percent penalty.

The penalty rates are uniform for all taxes and deposits due under this chapter.

The penalty for failure to timely file will take precedence over the penalty for failure to timely pay or an audit deficiency when more than one penalty is applicable.

5. Examples to illustrate the computation of penalty for tax periods beginning on or after January 1, 1991.

The following are examples to illustrate the computation of penalties imposed under rule 701—10.7(421). For purposes of these examples, interest has been computed at the rate of 12 percent per year or 1 percent per month. The tax due amounts are assumed to be the total amounts required to be shown due when considering whether the failure to pay penalty should be assessed on the basis that less than 90 percent of the tax was paid.

Example (a) — Failure to File

- a. Tax due is \$100.
- b. Return filed 3 months and 10 days after the due date.
- c. \$100 paid with the return.

The calculation for additional tax due is shown below:

Tax	\$100
Penalty	10 (10% failure to timely file)
Interest	4 (4 months interest)
Total	\$114
Less payment	100
Additional tax due	\$ 14

Example (b) — Failure to Pay

- a. Tax due is \$100.
- b. Return is timely filed.
- c. \$0 paid.

The calculation for the total amount due 5 months after the due date is shown below:

Tax	\$100
Penalty	5
Interest	5 (5 months interest)
Total	\$110

Example (c) — Failure to File and Failure to Pay

- a. Tax due is \$100.
- b. Return is filed 2 months and 10 days after the due date.
- c. \$0 paid.

The calculation for the total amount due 3 months after the due date is shown below:

Tax	\$100
Penalty	10 (10% for failure to file)
Interest	3 (3 months interest)
Total due in 3rd month	\$113

Example (d) — Audit on Timely Filed Return

- a. \$100 in additional tax found due.
- b. Timely filed return.
- c. Audit completed 8 months after the due date of the return.
- d. Return showed \$100 as the computed tax, which was paid with the return.

The calculation for the total amount due is shown below:

Computed tax after audit	\$200
Less tax paid with return	100
Additional tax due	<u>\$100</u>
Penalty	5 (5% for audit deficiency)
Interest	<u>8</u> (8 months interest)
Total due	\$113

Example (e) — Audit on Late Return Granted an Exception From Failure to File

- a. Tax due is \$100.
 - b. Return filed 3 months and 10 days after the due date.
 - c. \$100 paid with the return.
 - d. Taxpayer is granted an exception from penalty for failure to file. (Return is then considered timely filed.)
 - e. Audit completed 8 months after the due date of the return. \$100 additional tax found due.
 - f. Return showed \$100 as the computed tax which was paid with the return.
- The computation for the total amount due is shown below:

Computed tax after audit	\$200
Less tax paid with return	100
Additional tax due	<u>\$100</u>
Penalty	5 (5% for audit deficiency. No penalty for failure to file.)
Interest	<u>8</u> (8 months interest)
Total due	\$113

Example (f) — Audit on Late Filed Return No Pay Return

- a. \$100 claimed as tax on the return.
 - b. \$100 in additional tax found due.
 - c. Return filed 3 months and 10 days after the due date.
 - d. Audit completed 8 months after the due date.
- The computation for the total amount due is shown below:

Computed tax after audit	\$200
Penalty	20 (10% for failure to file)
Interest	<u>16</u> (8 months interest)
Total due	\$236

701—10.7(421) Waiver of penalty—definitions. A penalty, if assessed, shall be waived by the department upon a showing of the circumstances stated below.

10.7(1) For purposes of these rules, the following definitions apply:

“Act of God” means an unusual and extraordinary manifestation of nature which could not reasonably be anticipated or foreseen and cannot be prevented by human care, skill, or foresight. There is a rebuttable presumption that an “act of God” that precedes the due date of the return or form by 30 days is not an act of God for purposes of an exception to penalty.

“Immediate family” includes the spouse, children, or parents of the taxpayer. There is a rebuttable presumption that relatives of the taxpayer beyond the relation of spouse, children, or parents of the taxpayer are not within the taxpayer’s immediate family for purposes of the waiver exceptions.

“Sanctioned self-audit program” means an audit performed by the taxpayer with forms provided by the department as a result of contact by the department to the taxpayer prior to voluntary filing or payment of the tax. Filing voluntarily without contact by the department does not constitute a sanctioned self-audit.

“Serious, long-term illness or hospitalization” means an illness or hospitalization, documented by written evidence, which precedes the due date of the return or form by no later than 30 days and continues through the due date of the return or form and interferes with the timely filing of the return or form. There is a rebuttable presumption that an illness or hospitalization that precedes the due date of the return or form by more than 30 days is not an illness or hospitalization for purposes of an exception to penalty. The taxpayer will be provided an automatic extension of 30 days from the date the return or form is originally due or the termination of the serious, long-term illness or hospitalization whichever is later without incurring penalty. The taxpayer has the burden of proof on whether or not a serious, long-term illness or hospitalization has occurred.

“Substantial authority” means the weight of authorities for the tax treatment of an item is substantial in relation to the weight of authorities supporting contrary positions.

In determining whether there is substantial authority, only the following will be considered authority: applicable provisions of Iowa statutes; the Internal Revenue Code; Iowa administrative rules construing those statutes; court cases; administrative rulings; legal periodicals; department newsletters and tax return and deposit form instruction booklets; tax treaties and regulations; and legislative intent as reflected in committee reports.

Conclusions reached in treaties, legal opinions rendered by other tax professionals, descriptions of statutes prepared by legislative staff, legal counsel memoranda, and proposed rules and regulations are not authority.

There is substantial authority for the tax treatment of an item if there is substantial authority at the time the return containing the item is due to be filed or there was substantial authority on the last day of the taxable year to which the return relates.

The taxpayer must notify the department at the time the return, deposit form, or payment is originally due of the substantial authority the taxpayer is relying upon for not filing the return or deposit form or paying the tax due.

10.7(2) Reserved.

701—10.8(421) Penalty exceptions. Under certain circumstances the penalty for failure to timely file a return or deposit, failure to timely pay the tax shown due, or the tax required to be shown due with the filing of a return or a deposit form, or failure to pay following an audit by the department is waived.

When an exception is granted under subrule 10.9(1), the return or deposit form is considered timely filed for purposes of nonimposition of penalty only.

10.8(1) For failure to timely file a return or deposit form, the 10 percent penalty is waived upon a showing of the following exceptions:

a. At least 90 percent of the tax required to be shown due has been paid by the due date of the tax return or deposit form.

b. One late return allowed. A taxpayer required to file a return or deposit form quarterly, monthly, or semimonthly is allowed one untimely filed return or deposit form within a three-year period. The use by the taxpayer of any other penalty exception under this subrule will not count as a late return or deposit form for purposes of this subrule.

The exception for one late return in a three-year period is determined on the basis of the tax period for which the return or form is due and not the date on which the return is filed.

c. Death of a taxpayer, member of the immediate family of the taxpayer, or death of the person directly responsible for filing the return and paying the tax, when the death interferes with timely filing. There is a rebuttable presumption that a death which occurs more than 30 days before the original date the return or form is due does not interfere with timely filing.

d. The onset of serious, long-term illness or hospitalization of the taxpayer, a member of the taxpayer’s immediate family, or the person directly responsible for filing the return and paying the tax.

e. Destruction of records by fire, flood, or act of God.

f. The taxpayer presents proof that the taxpayer at the due date of the return, deposit form, or payment relied upon applicable, documented, written advice made specifically to the taxpayer, the taxpayer’s preparer, or to an association representative of the taxpayer from the department, state

department of transportation, county treasurer, or federal Internal Revenue Service. The advice should be relevant to the agency offering the advice and not beyond the scope of the agency's area of expertise and knowledge. The advice must be current and not superseded by a court decision, ruling of a quasi-judicial body such as an administrative law judge, the director, or the state board of tax review, or by the adoption, amendment, or repeal of a rule or law.

g. Reliance upon the results of a previous audit was a direct cause for failure to file or pay where the previous audit expressly and clearly addressed the issue and the previous audit results have not been superseded by a court decision or by adoption, amendment, or repeal of a rule or law.

h. The taxpayer presents documented proof of substantial authority to rely upon a particular position or upon proof that all facts and circumstances are disclosed on a return or deposit form. Mathematical, computation, or transposition errors are not considered as facts and circumstances disclosed on a return or deposit form. These types of errors will not be considered as penalty exceptions.

i. The return, deposit form, or payment is timely, but erroneously, mailed with adequate postage to the Internal Revenue Service, another state agency, or a local government agency and the taxpayer provides proof of timely mailing with adequate postage. The taxpayer must provide competent evidence of the mailing as stated in Iowa Code section 622.105.

j. The tax has been paid by the wrong licensee and the payments were timely remitted to the department for one or more tax periods prior to notification by the department.

k. The failure to file was discovered through a sanctioned self-audit program conducted by the department.

l. Effective for estates with disclaimers filed on or after July 1, 2007, penalty will not be imposed for a late-filed Iowa inheritance tax return if the sole reason for the late-filed inheritance tax return is due to a beneficiary's decision to disclaim property or disclaim an interest in property from the estate. However, for the penalty to be waived, the Iowa inheritance tax return must be filed and all tax must be paid to the department within the later of nine months from the date of death or 60 days from the delivery or filing date of the disclaimer pursuant to Iowa Code section 633E.12.

10.8(2) For failure to timely pay the tax due on a return or deposit form, the 5 percent penalty is waived upon a showing of the following exceptions:

a. At least 90 percent of the tax required to be shown due has been paid by the due date of the tax return or deposit form.

b. The taxpayer voluntarily files an amended return and pays all tax shown to be due on the return prior to any contact by the department, except under a sanctioned self-audit program conducted by the department.

c. The taxpayer provides written notification to the department of a federal audit while it is in progress and voluntarily files an amended return which includes a copy of the federal document showing the final disposition or final federal adjustments within 60 days of the final disposition of the federal government's audit.

d. The taxpayer presents proof that the taxpayer relied upon applicable, documented, written advice specifically made to the taxpayer, to the taxpayer's preparer, or to an association representative of the taxpayer from the department, state department of transportation, county treasurer, or federal Internal Revenue Service, whichever is appropriate, that has not been superseded by a court decision, ruling by a quasi-judicial body, or the adoption, amendment, or repeal of a rule or law.

e. Reliance upon results in a previous audit was a direct cause for the failure to pay the tax required to be shown due where the previous audit expressly and clearly addressed the issue and the previous audit results have not been superseded by a court decision, or the adoption, amendment, or repeal of a rule or law.

f. The taxpayer presents documented proof of substantial authority to rely upon a particular position or upon proof that all facts and circumstances are disclosed on a return or deposit form. Mathematical, computation, or transposition errors are not considered as facts and circumstances disclosed on a return or deposit form. These types of errors will not be considered as penalty exceptions.

g. The return, deposit form, or payment is timely, but erroneously, mailed with adequate postage to the Internal Revenue Service, another state agency, or a local government agency and the taxpayer

provides proof of timely mailing with adequate postage. The taxpayer must provide competent evidence of the mailing as stated in Iowa Code section 622.105.

h. The tax has been paid by the wrong licensee and the payments were timely remitted to the department for one or more tax periods prior to notification by the department.

i. Effective for estates with disclaimers filed on or after July 1, 2007, penalty will not be imposed for failure to pay Iowa inheritance tax if the sole reason for the failure to pay Iowa inheritance tax is due to a beneficiary's decision to disclaim property or disclaim an interest in property from the estate. However, for the penalty to be waived, the Iowa inheritance tax return must be filed and all tax must be paid to the department within the later of nine months from the date of death or 60 days from the filing date of the disclaimer pursuant to Iowa Code section 633E.12.

10.8(3) For a deficiency of tax due on a return or deposit form found during an audit, the 5 percent penalty is waived under the following exceptions:

a. At least 90 percent of the tax required to be shown due has been paid by the due date.

b. The taxpayer presents proof that the taxpayer relied upon applicable, documented, written advice specifically made to the taxpayer, to the taxpayer's preparer, or to an association representative of the taxpayer from the department, state department of transportation, county treasurer, or federal Internal Revenue Service, whichever is appropriate, that has not been superseded by a court decision, ruling by a quasi-judicial body, or the adoption, amendment, or repeal of a rule or law.

c. Reliance upon results in a previous audit was a direct cause for the failure to pay the tax shown due or required to be shown due where the previous audit expressly and clearly addressed the issue and the previous audit results have not been superseded by a court decision, or the adoption, amendment, or repeal of a rule or law.

d. The taxpayer presents documented proof of substantial authority to rely upon a particular position or upon proof that all facts and circumstances are disclosed on a return or deposit form. Mathematical, computation, or transposition errors are not considered as facts and circumstances disclosed on a return or deposit form. These types of errors will not be considered as penalty exceptions. [ARC 7761B, IAB 5/6/09, effective 6/10/09]

701—10.9(421) Notice of penalty exception for one late return in a three-year period. The penalty exception for one late return in a three-year period will automatically be applied to a return or deposit form by the department if the taxpayer is eligible for the exception.

The exception for one late return in a three-year period is applied to the returns or deposit forms in the order they are processed and not in the order which the returns or deposit forms should have been filed.

MOTOR FUEL

[Prior to 1/23/91, see 701—63.8(324) and 63.10(324)]

701—10.71(452A) Penalty and enforcement provisions.

10.71(1) *Illegal use of dyed fuel.* The illegal use of dyed fuel in the supply tank of a motor vehicle shall result in a civil penalty assessed against the owner or operator of the motor vehicle as follows:

- a. A \$500 penalty for the first violation.
- b. A \$1,000 penalty for a second violation within three years of the first violation.
- c. A \$2,000 penalty for third and subsequent violations within three years of the first violation.

10.71(2) *Illegal importation of untaxed fuel.* A person who illegally imports motor fuel or undyed special fuel without a valid importer's license or supplier's license shall be assessed a civil penalty as stated below. However, the owner or operator of the importing vehicle shall not be guilty of violating the illegal import provision if it is shown by the owner or operator that the owner or operator reasonably did not know or reasonably should not have known of the illegal importation.

a. For a first violation, the importing vehicle shall be detained and a penalty of \$4,000 shall be paid before the vehicle will be released. The owner or operator of the importing vehicle or the owner of the fuel may be held liable for payment of the penalty.

b. For a second violation, the importing vehicle shall be detained and a penalty of \$10,000 shall be paid before the vehicle will be released. The owner or operator of the importing vehicle or the owner of the fuel may be held liable to pay the penalty.

c. For third and subsequent violations, the importing vehicle and the fuel shall be seized and a penalty of \$20,000 shall be paid before the vehicle will be released. The owner or operator of the importing vehicle or the owner of the fuel may be held liable to pay the penalty.

d. If the owner or operator of the importing vehicle or the owner of the fuel fails to pay the tax and penalty for a first or second offense, the importing vehicle and the fuel may be seized. The Iowa department of revenue, the Iowa department of transportation, or any peace officer, at the request of either department, may seize the vehicle and the fuel.

e. If the operator or owner of the importing vehicle or the owner of the fuel moves the vehicle or the fuel after the vehicle has been detained and a sticker has been placed on the vehicle stating that “this vehicle cannot be moved until the tax, penalty, and interest have been paid to the department of revenue,” an additional penalty of \$10,000 shall be assessed against the operator or owner of the importing vehicle or the owner of the fuel.

10.71(3) *Improper receipt of fuel credit or refund.* If a person files an incorrect refund claim, in addition to the amount of the excess claim, a penalty of 10 percent shall be added to the amount by which the amount claimed and refunded exceeds the amount actually due and shall be paid to the department. If a person knowingly files a fraudulent refund claim with the intent to evade the tax, the penalty shall be 75 percent in lieu of the 10 percent. The person shall also pay interest on the excess refunded at the rate per month specified in Iowa Code section 421.7, counting each fraction of a month as an entire month, computed from the date the refund was issued to the date the excess refund is repaid to the state.

10.71(4) *Illegal heating of fuel.* The deliberate heating of taxable motor fuel or special fuel by dealers prior to consumer sale is a simple misdemeanor.

10.71(5) *Prevention of inspection.* The Iowa department of revenue or the Iowa department of transportation may conduct inspections for coloration, markers, and shipping papers at any place where taxable fuel is or may be loaded into transport vehicles, produced, or stored. Any attempts by a person to prevent, stop, or delay an inspection of fuel or shipping papers by authorized personnel shall be subject to a civil penalty of not more than \$2,000 per occurrence. Any law enforcement officer requested by the Iowa department of revenue or Iowa department of transportation may physically inspect, examine, or otherwise search any tank, fuel supply tank of a vehicle, reservoir, or other container that can or may be used for the production, storage, or transportation of any type of fuel.

10.71(6) *Failure to conspicuously label a fuel pump.* A retailer who does not conspicuously label a pump or other delivery facility as required by the Internal Revenue Service, that dispenses dyed diesel fuel so as to notify customers that it contains dyed fuel, shall pay to the department of revenue a penalty of \$100 per occurrence.

10.71(7) *False or fraudulent return.* Any person, including an officer of a corporation or a manager of a limited liability company, who is required to make, render, sign, or verify any report or return required by this chapter and who makes a false or fraudulent report, or who fails to file a report or return with the intent to evade the tax, shall be guilty of a fraudulent practice. Any person who aids, abets, or assists another person in making any false or fraudulent return or false statement in any return with the intent to evade payment of tax shall be guilty of a fraudulent practice.

This rule is intended to implement Iowa Code section 452A.74A as amended by 2009 Iowa Acts, Senate File 478, section 141.

[ARC 8225B, IAB 10/7/09, effective 11/11/09]

701—10.72(452A) Interest. Interest at the rate of three-fourths of one percent per month, based on the tax due, shall be assessed against the taxpayer for each month such tax remains unpaid prior to January 1, 1982. The interest shall accrue from the date the return was required to be filed. Interest shall not apply to penalty. Each fraction of a month shall be considered a full month for the computation of interest. See rule 701—10.2(421) for the statutory interest rate commencing on or after January 1, 1982.

Refunds on reports or returns filed on or after July 1, 1986, but before July 1, 1997, will accrue interest beginning on the first day of the third calendar month following the date of payment or the date the return was filed or due to be filed, whichever is later, at the rate in effect under Iowa Code section 421.7, counting each fraction of a month as an entire month. Refunds on reports or returns filed on or after July 1, 1997, will accrue interest beginning on the first day of the second calendar month following the date of payment or the date the return was filed or due to be filed, whichever is later. Claims for refund filed under Iowa Code sections 452A.17 and 452A.21 will accrue interest beginning with the first day of the second calendar month following the date the refund claim is received by the department. See rule 701—10.3(422,450,452A).

This rule is intended to implement Iowa Code section 452A.65 as amended by 1997 Iowa Acts, House File 266.

A \$45 per pack penalty applies if a person is in possession of more than 2,000 unstamped cigarettes for violations occurring on or after July 1, 2004.

See rule 701—10.6(421) for penalties related to failure to timely file a return, failure to timely pay the tax due, audit deficiency, and willful failure to file a return with the intent to evade the tax. If, upon

audit, it is determined that any person has failed to pay at least 90 percent of the tax imposed by Iowa Code chapter 453A, division I, which failure was not the result of a violation enumerated above, a penalty of 5 percent of the tax deficiency shall be imposed. This penalty is not subject to waiver for reasonable cause.

See rule 701—10.8(421) for statutory exceptions to penalty.

10.76(2) Tobacco.

See rule 701—10.6(421) for penalties related to failure to timely file a return, failure to timely pay the tax due, audit deficiency, and willful failure to file a return with the intent to evade the tax.

See rule 701—10.8(421) for statutory exceptions to penalty.

This rule is intended to implement Iowa Code sections 453A.28, 453A.31 and 453A.46 as amended by 2004 Iowa Acts, Senate File 2296.

701—10.77(453A) Interest.

10.77(1) Cigarettes. There shall be assessed interest at the rate established by rule 701—10.2(421) from the due date of the tax to the date of payment counting each fraction of a month as an entire month. For the purpose of computing the due date of any unpaid tax, a FIFO inventory method shall be used for cigarettes and stamps. See rule 701—10.6(421) for examples of penalty and interest.

10.77(2) Tobacco. The interest rate on delinquent tobacco tax is the rate established by rule 701—10.2(421) counting each fraction of a month as an entire month. If an assessment for taxes due is not allocated to any given month, the interest shall accrue from the date of assessment. See rule 701—10.6(421) for examples of penalty and interest.

This rule is intended to implement Iowa Code sections 453A.28 and 453A.46.

701—10.78(453A) Waiver of penalty or interest. Rescinded IAB 11/10/04, effective 12/15/04.

701—10.79(453A) Request for statutory exception to penalty. Any taxpayer who believes there is a good reason to object to any penalty imposed by the department for failure to timely file returns or pay the tax may submit a request for exception seeking that the penalty be waived. The request must be in the form of a letter or affidavit and must contain all facts alleged by the taxpayer and a reason for why the taxpayer qualifies for the exceptions. See rule 701—10.8(421).

This rule is intended to implement Iowa Code sections 453A.31 and 453A.46.

ALL TAXES

701—10.115(421) Application of payments to penalty, interest, and then tax due for payments made on or after January 1, 1995, unless otherwise designated by the taxpayer. The department will not reapply prior payments made by the taxpayer to penalty or interest determined to be due after the date of those prior payments. However, the department will apply payments to penalty and interest which were due at the time the payment was made.

Example (a) — Delinquent Return

- a. Tax due is \$1,000.
- b. Return filed two months late.
- c. \$1,000 paid with the return.
- d. The department bills the additional tax in the third month after the due date. The taxpayer pays the assessment in the third month.

The computation of additional tax is shown below:

Tax	\$1,000.00	
Penalty	100.00	(10% failure to file penalty)
Interest	14.00	(2 months interest)
Total	<u>\$1,114.00</u>	
Less payment	<u>1,000.00</u>	
Additional tax due	\$ 114.00	
Interest	.80	(1 month interest)
Total due	<u>\$ 114.80</u>	

Two years after the due date, the Internal Revenue Service conducts an audit and increases the taxpayer's taxable income. The department redetermines the taxpayer's liability 26 months after the due date as follows:

Tax as redetermined by the department	\$1,100.00	
Less paid with return	<u>1,000.00</u>	
Additional tax	\$ 100.00	
Penalty	10.00	(10% failure to file penalty)
Interest	<u>18.20</u>	(26 months interest)
Total due	\$ 128.20	

Example (b) — Timely Filed No Remit

a. Tax due is \$1,000.

b. Return timely filed.

c. \$0 paid.

The calculation for the total amount due five months after the due date is shown below:

Tax	\$1,000.00	
Penalty	50.00	(5% failure to pay penalty)
Interest	<u>35.00</u>	(5 months interest)
Total due	\$1,085.00	

The department bills the additional tax in the fifth month after the due date and the taxpayer pays the additional amount in the eighth month after the due date. The payment is applied as follows:

Tax	\$1,000.00	
Penalty	50.00	(5% failure to pay penalty)
Interest	<u>56.00</u>	(8 months interest)
Total due	\$1,106.00	
Amount paid	\$1,085.00	

Balance tax due \$21.00 subject to interest until paid.

The balance due was not paid.

Three years after the due date the taxpayer forwards a copy of an Internal Revenue Service audit which increases the taxpayer's income to the department. The department recomputes the taxpayer's liability as follows:

Tax as redetermined by the department	\$1,200.00	
Less paid per prior audit	<u>979.00</u>	
Balance due	\$ 221.00	(includes the balance due of \$21)
Penalty	10.00	(5% failure to pay penalty on \$200, the \$21.00 already bears penalty)
Interest	<u>54.52</u>	(36 months interest on \$200 and 28 months interest on \$21)
Total due	\$ 285.52	

10.115(1) Refunds. In those instances where an audit reduced the amount of tax, penalty, and interest due over the amount paid, the department will reapply payments so that amount refunded is tax on which interest will accrue as set forth in the Iowa Code.

10.115(2) Partial payments made after notices of assessments are issued. Where partial payments are made after a notice of assessment is issued, the department will reapply payments to penalty, interest, and then to tax due until the entire assessed amount is paid. See *Ashland Oil Inc. v. Iowa Department of Revenue and Finance*, 452 N.W.2d 162 (Iowa 1990). If penalty, interest, and tax are due and owing for more than one tax period, any payment must be applied first to the penalty, then the interest, then the

tax for the oldest tax period, then to the penalty, interest, and tax to the next oldest tax period, and so on until the payment is exhausted.

Where there are both agreed- and unagreed-to items as a result of an examination, the taxpayer and the department may agree to apply payments to the penalty, interest, and then to tax due on the agreed-to items of the examination when all of the penalty, interest, and tax on the agreed-to items are paid. In these instances, subsequent payments will not be applied to penalty and interest accrued on the agreed-to items of the examination.

This rule is intended to implement Iowa Code section 422.25(4).

JEOPARDY ASSESSMENTS

701—10.116(422,453B) Jeopardy assessments. A jeopardy assessment may be made where a return has been filed and the director believes for any reason that assessment or collection of the tax will be jeopardized by delay, or where a taxpayer fails to file a return, whether or not formally called upon to file a return. In addition, all assessments made pursuant to Iowa Code chapter 453B are jeopardy assessments. The department is authorized to estimate the applicable tax base and the tax upon the basis of available information, add penalty and interest, and demand immediate payment.

A jeopardy assessment is due and payable when the notice of the assessment is served upon the taxpayer. Proceedings to enforce the payment of the assessment by seizure or sale of any property of the taxpayer may be instituted immediately.

This rule is intended to implement Iowa Code sections 422.30 and 453B.9.

701—10.117(422,453B) Procedure for posting bond. In the event a taxpayer seeks to post a bond in lieu of summary collection of a jeopardy assessment, pending final determination of the amount of tax legally due, an original and four copies of a separate written bond application conspicuously titled “Jeopardy Assessment Bond Request” must be filed with the clerk of the hearings section for the department. Thereafter, if the taxpayer and the department agree on an appropriate bond, the clerk of the hearings section for the department shall be notified and the bond shall be approved by the clerk of the hearings section for the department.

If the clerk of the hearings section for the department has not been notified that an agreement on the bond has been reached within ten days after the date upon which the bond request was filed, the clerk of the hearings section for the department shall transfer the file to the director who shall promptly schedule a hearing on the bond request with written notice to be given the taxpayer and the department at least ten days prior to the hearing.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.118(422,453B) Time limits. Bond requests may be made anytime after a timely protest to the jeopardy assessment has been filed with the clerk of the hearings section for the department, except that any bond request whereby the taxpayer seeks to postpone a scheduled sale of assets seized by or on behalf of the department must be filed with the clerk of the hearings section for the department no later than ten days from the date on which notice of the sale was mailed to, or otherwise served upon, the taxpayer. Portions of an assessment which are undisputed must be paid in full at the time a bond request is filed.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.119(422,453B) Amount of bond. In the event no agreement on the bond is reached, bonds must be posted in an amount to be determined by the director consistent with the following:

10.119(1) If property has been seized or a lien has been filed and the taxpayer seeks only to postpone the sale of property, pending final determination of the amount of tax legally due, the bond shall be in an amount equal to the expected depreciation loss, storage cost, insurance costs and any and all other costs associated with the distraint and storage of the property pending such final determination.

10.119(2) If property has been seized or a lien has been filed and the taxpayer seeks to prevent the sale of property and to have the property returned for the taxpayer's own use, pending final determination of the amount of tax legally due, the bond shall be in an amount equal to the sale price the department can reasonably expect to realize on any property seized plus all costs related to the distraint and storage of the property.

10.119(3) If a taxpayer seeks to prevent the department from seizing property or placing a lien upon property, pending final determination of the amount of tax legally due, the bond shall be in an amount equal to the total amount of the department's assessment including interest to the date of the bond.

Bonds may not be required in excess of double the amount of the department's jeopardy assessment.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.120(422,453B) Posting of bond. If the taxpayer fails to post the bond as agreed upon within 15 days from the date the bond is approved by the clerk of the hearings section for the department, no bond will be allowed and the director shall dismiss the bond request. If no agreement was reached and a bond order is issued by the director, the taxpayer has ten days to post the bond. If the bond is not posted within the ten-day period, the director shall dismiss the bond request.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.121(422,453B) Order. The director's order shall be in writing and shall include findings of fact based solely on the evidence in the record and on matters officially noticed in the record and shall include conclusions of law. The findings of fact and conclusions of law shall be separately stated. Findings of fact shall be prefaced by a concise and explicit statement of underlying facts supporting the findings. Each conclusion of law shall be supported by cited authority or by a reasoned opinion.

Orders will be issued within a reasonable time after termination of the hearing. Parties shall be promptly notified of each order by delivery to them of a copy of the order by personal service or by ordinary mail.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.122(422,453B) Director's order. The director's order constitutes the final order of the department for purposes of judicial review. Parties shall be promptly notified of the director's order by delivery to them of a copy of the order by personal service or by ordinary mail.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.123(422,453B) Type of bond. The bond shall be payable to the department for the use of the state of Iowa and shall be conditioned upon the full payment of the tax, penalty, interest, or fees that are found to be due which remain unpaid upon the resolution of the contested case proceedings up to the amount of the bond. Upon application of the taxpayer or the department, the director may, upon hearing, fix a greater or lesser amount to reflect changed circumstances, but only after ten days' prior notice is given to the department or the taxpayer as the case may be.

A personal bond, without a surety, is only permitted if the taxpayer posts with the clerk of the hearings section for the department, cash, a cashier's check, a certificate of deposit, or other marketable securities which are approved by the director with a readily ascertainable value which is equal in value to the total amount of the bond required. If a surety bond is posted, the surety on the bond may be either personal or corporate. The provisions of Iowa Code chapter 636 relating to personal and corporate sureties shall govern to the extent not inconsistent with the provisions of this subrule.

This rule is intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202, and sections 422.30 and 453B.9.

701—10.124(422,453B) Form of surety bond. The surety bond posted shall be in substantially the following form:

[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter]

801—10.13 Reserved.

801—10.14(35D) Computation of member support. As a condition of admittance to and residency in IVH, each member is required to contribute toward the cost of that member's care based on that member's resources and ability to pay.

10.14(1) A monthly member support bill shall be sent to the member or legal representative charging the member for care in the previous month with any necessary adjustment for prior months. A member may be required to pay member support charges from the member's liquid assets, long-term care insurance benefits, or from the member's income. The monthly member support charge shall be the billable days, as set out in subrule 10.14(3), multiplied by the appropriate per diem from rule 801—10.15(35D). This amount shall be reduced by any offsets as set out in subrules 10.15(2) and 10.15(3). The member or legal representative shall pay an amount not to exceed the amount calculated based on the resources available for the cost of care as set out in this chapter.

10.14(2) Title XIX residents. If a member is certified as eligible and participating in the Title XIX program, the amount of payment shall be determined by the department of human services income maintenance worker.

10.14(3) Billable days (non-Title XIX). Billable days for members not participating in the Title XIX program shall be counted as follows:

a. All days in the month for which the member received care (in-house).

b. All leave days in excess of the 12 free days up through the fifty-ninth leave day. Any leave days in excess of 59 days shall be considered billable, but the member must pay the full member support, not the amount determined by resources.

c. The first ten days of each hospitalization. On the eleventh day the member's bed shall be held without charge until the termination of hospital stay and member returns to IVH. A hospital stay may occur more than once in a calendar year.

[ARC 8014B, IAB 7/29/09, effective 7/10/09]

801—10.15(35D) Per diems.

10.15(1) For members not participating in the Title XIX program, the per diem by which the billable days shall be multiplied shall be established as follows:

a. *Nursing level of care.*

(1) The charge for care is the per diem submitted by IVH to department of human services for the Title XIX certified units as calculated in January and July of each year for the preceding six months.

(2) The charge for care shall be adjusted, if necessary, semiannually on March 1 and September 1 of each year.

(3) Members or financial legal representatives shall be sent a notice one month in advance of the rate change.

b. *Domiciliary level of care.*

(1) The total cost of care per member shall be determined in January and July of each year for the preceding six months and calculated in a manner similar to the nursing level of care. This cost shall be the charge for care.

(2) The charge for care shall be adjusted, if necessary, semiannually on March 1 and September 1 of each year.

(3) Members or financial legal representatives shall be sent a notice one month in advance of the rate change.

10.15(2) Veteran members not living on Title XIX certified units and those living on Title XIX certified units but not eligible for Title XIX medical assistance for whom IVH receives a per diem from the U.S. DVA (under Title 38). IVH shall consider this per diem as a third-party reimbursement to the charge for care and shall be an offset to the member support bill. The offset of the per diem received (billed to DVA) shall be shown as an offset for the month billed. The provisions of 38 U.S.C. 1745(a), which were established by Section 211 of the Veterans Benefits, Health Care, and Information Technology Act of 2006 (Public Law 109-461), set forth a mechanism for paying a higher per diem rate for certain veterans who have service-connected disabilities and are receiving nursing home care in state homes.

10.15(3) For members not living on Title XIX certified units and those living on Title XIX certified units but not eligible for Title XIX medical assistance. The daily per diem charge shall be reduced by an amount equal to the "usual" Medicare premium calculated as a per diem. This offset shall be available only to members eligible for Medicare insurance.

10.15(4) For members not living on Title XIX certified units and those living on Title XIX certified units but not eligible for Title XIX medical assistance. The member support charge shall be reduced in accordance with subrules 10.15(2) and 10.15(3), if applicable. The member shall then contribute all remaining available resources up to the charge for care.

Members receiving DVA pension and aid and attendance shall be considered as having used the amount equal to aid and attendance first in payment for their care at IVH.

10.15(5) Payment of support is due on the tenth of the month in which the monthly support bill is received, or ten business days after the member's last income deposit for that month.

a. If payment is not received by IVH within 30 days following the due date, a notice of discharge may be issued.

b. If there are extenuating circumstances, the member or legal representative should meet with the commandant or designee to work out a schedule of payments.

[ARC 8014B, IAB 7/29/09, effective 7/10/09]

801—10.16(35D) Assets. The following rules specify the treatment of assets, as defined in rule 801—10.1(35D), in the payment of member support as described in rule 801—10.14(35D). Only liquid assets shall be considered in the payment of member support.

10.16(1) For members living on Title XIX certified units who have applied for and are eligible to receive Title XIX medical assistance, rule 441—75.5(249A) shall apply. Financial eligibility for Title XIX shall be determined by the department of human services income maintenance worker.

10.16(2) For members not living on Title XIX certified units and those living on Title XIX certified units but not eligible for Title XIX medical assistance, the following rules apply:

a. Assets considered. The assets considered shall include all assets owned by the member, or if married, both the member and the spouse living in the community, except for the following:

(1) The homestead is exempt as follows: The exempt homestead is defined as the house, used as a home, and may contain one or more contiguous lots or tracts of land, including buildings and appurtenances. Contiguous means that portions of the homestead cannot be separated from the home by intervening property owned by others. However, the homestead is considered contiguous if portions of it are separated from the home only because of roads or other public rights-of-way. Property that is not exempt as part of the homestead shall be treated in accordance with the rules of this chapter.

The homestead, as defined, can retain its exempt status for a period of time not to exceed 36 months, while the member, spouse and dependents are temporarily absent, provided the following conditions are met:

1. There is a specific purpose for the absence.
2. The member, spouse or dependents intend to return to the homestead when the reason for the absence has been accomplished.
3. The member, spouse or dependents can reasonably be expected to return to the home during the 36-month time limitation.
4. If a person is an applicant at the time the homestead becomes vacant due to the absence of the applicant, spouse or dependents, the first month of the 36-month period is the month of admission to IVH.
5. If a person is a member when the homestead becomes vacant due to the absence of the member, spouse or dependents, the first month of the 36-month period is the month following the month in which the homestead is vacated.
6. Any homestead that does not qualify for this exemption or any homestead that is vacant for a period of time exceeding the 36-month limit shall be treated in accordance with subrule 10.16(3).
- (2) Household goods, personal effects and motor vehicles.
- (3) The value of any burial spaces held for the purpose of providing a place for the burial of the member, spouse or any other member of the immediate family.
- (4) Exempt income-producing property includes, but is not limited to, tools, equipment, livestock, inventory and supplies, and grain held in storage.
- (5) Other property essential to the means of self-support of either the member or spouse as to warrant its exclusion under the Supplemental Security Income program.
- (6) Assets of a blind or disabled person who has a plan for achieving self-support as determined by the division of vocational rehabilitation or the department of human services.
- (7) Assets of Native Americans belonging to certain tribes arising from judgment fund and payments from certain land and subsurface mineral rights. This does not include per capita payments from casino proceeds.
- (8) Any amounts arising from Public Law 101-239 which provides assistance to veterans under the Agent Orange product liability litigation.
- (9) Assistance under the Disaster Relief Act and Emergency Assistance Act or other assistance provided pursuant to federal statute as a result of a presidential disaster declaration and interest earned on these funds for the nine-month period beginning on the date these funds are received or for a longer period where good cause is shown.
- (10) An amount that is irrevocable and separately identifiable, having a principal amount not in excess of a predetermined amount set by the department of human services, without an itemized billing, for the member or spouse to meet the burial and related expenses of that person.
- (11) Federal assistance paid for housing occupied by the spouse living in the community.

(12) Assistance from a fund established by a state to aid victims of crime for nine months from receipt when the client demonstrates that the amount was paid as compensation for expenses incurred or losses suffered as a result of a crime.

(13) Relocation assistance provided by a state or local government to a member or spouse comparable to assistance provided under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 which is subject to the treatment required by Section 216 of the Act.

(14) Any other asset excluded by statute.

b. Assets of a single member. When liquid assets not exempted in paragraph “a” above are equal to or exceed \$2,000, those liquid assets shall be considered an available resource for the payment of member support. These assets shall be considered available for payment of member support until such time that the remaining liquid assets total less than \$500, but leaving at least \$140.

c. Assets of a married member with spouse in a care facility. If a member’s spouse is residing in a nursing facility, the member shall be treated as a single member for asset determination purposes. If the member and the spouse become members of IVH on the same day, all resources of both members shall be added together and split one-half to each member for asset determination purposes. If the spouse is residing in a residential care facility, the rules pertaining to a spouse living in the community apply.

d. Assets of a married member with spouse living in the community. When liquid assets not exempted in paragraph “a” above are equal to or exceed \$2,000, those liquid assets shall be considered an available resource for the payment of member support. These assets shall be considered available for payment of member support until such time that the remaining liquid assets total less than \$500, but leaving at least \$140.

The assets attributed to the member shall be determined from the documented assets of both the member and spouse living in the community as of the first day of admission to IVH. All resources of both the member and the spouse shall be added together. If the total resources are less than \$24,000 (the amount set by 441 IAC 75.5(3) “d” and “f,” Public Law 100-365 and Public Law 100-485), then that amount shall be protected for the spouse living in the community. If applicable, the next \$24,000 shall be awarded to the member. Any resources over \$48,000 shall be split one-half to the member and one-half to the spouse up to a predetermined amount set by the department of human services. All resources over the predetermined amount shall be awarded to the member unless it is determined that the member would never be eligible for Medicaid benefits; in this circumstance, assets will be split one-half to the member and one-half to the spouse. Other resources attributed to the spouse living in the community shall be determined by the department of human services through the attribution process.

(1) If the member has transferred assets to the spouse living in the community under a court order for the support of the spouse, the amount transferred shall be the amount attributed to the spouse to the extent it exceeds the specified limits above.

(2) After the month in which the member is admitted, no attributed resources of the spouse living in the community shall be deemed available to the member during the continuous period in which the member is at IVH. Resources which are owned wholly or in part by the member and which are not transferred to the spouse living in the community shall be counted in determining member support. The assets of the member shall not count for member support to the extent that the member intends to transfer and does transfer the assets to the spouse living in the community within 90 days.

(3) Report of results. The department of human services shall provide the member and spouse and legal representative, if applicable, a report of the results of the attribution. The report shall state that either has a right to appeal the attribution in accordance with rule 801—10.45(35D).

e. Exception based on estrangement. When it is established by a disinterested third-party source and confirmed by the commandant or designee that the member is estranged from the spouse living in the community, member support shall be determined on the basis of resources of a single member.

10.16(3) When a member owns an available, nonliquid, nonexempt asset, the value of which would affect the computation of member support as described in rule 801—10.14(35D), the asset shall be liquidated. The value of that asset shall be considered in the computation of member support. The following paragraphs are to be considered when liquidating assets:

a. Net market value, or equity value, is the gross price for which property or an item can be sold on the open market less any legal debts, claims or liens against the property or item. IVH shall consider the condition and location of an item or property and local market conditions in determining the gross sales price of the item or property. In order for a loan or claim to be considered a lien or encumbrance against an asset, the loan or claim must be made under circumstances that result in the creditors having a recorded legal right to satisfy the debt.

b. An asset must be available in order for it to be treated in accordance with the rules of this chapter. An asset is considered available when:

(1) The member owns the property in part or in full and has control over it; that is, it can be occupied, rented, leased, sold or otherwise used and disposed of at the member's discretion; and

(2) The member has a legal interest in a liquidated sum and has the legal ability to make the sum available for member support.

c. A member must take all appropriate action to gain title and control of any asset of which the value would affect the computation of member support.

d. The value of the asset may be adjusted if the member or legal representative:

(1) Advertises the asset for sale, through appropriate methods, on a continual basis.

(2) Lists the asset with a real estate broker or other agent appropriate to the asset.

(3) Asks a reasonable price which is consistent with the asking price of similar items of property in the community.

(4) Does not refuse a reasonable offer.

(5) Does not sell the asset for an unreasonably low price.

e. Cash proceeds from the sale of an asset, conversion of an asset to cash, or receipt of any cash asset as defined in rule 801—10.1(35D) shall be used in the computation of member support beginning with the calendar month of receipt.

801—10.17(35D) Divestment of assets.

10.17(1) “Intentional divestment of assets” means:

a. To knowingly sell, give or transfer by member or legal representative for less than fair market value, any asset, the value of which would affect member support; or

b. To knowingly and voluntarily place an asset, the value of which would affect member support, under a trust or other legal instrument that ends or limits the availability of that asset.

10.17(2) Transfers of resources shall be presumed to be divestiture unless the individual furnishes convincing evidence to establish that the transaction was exclusively for some other purpose. In addition to giving away or selling assets for less than fair market value, examples of transferring resources include, but are not limited to, establishing a trust, contributing to a charity or other organization, removing a name from a joint bank account, or decreasing the extent of ownership interest in a resource or any other transfer as defined in the Supplemental Security Income program.

a. Convincing evidence to establish that the transaction was not a divestiture may include documents, letters, and contemporaneous writings, as well as other circumstantial evidence.

b. In rebutting the presumption that the transfer was a divestiture, the burden of proof is on the individual to establish:

(1) The fair market value of the compensation;

(2) That the compensation was provided pursuant to an agreement, contract, or expectation in exchange for the resource; and

(3) That the agreement, contract, or expectation was established at the time of transfer.

10.17(3) An applicant or legal representative shall not knowingly and intentionally divest an asset, as set out in subrule 10.17(1), within the period established by Title XIX statute prior to admission, with the intention of reducing the applicant's member support or of obtaining admission to IVH.

When it is determined by the commandant or designee that an applicant did intentionally divest an asset, upon admission that applicant shall be charged member support as if divestment did not occur.

10.17(4) A member or legal representative shall not knowingly and intentionally divest an asset, as described in subrule 10.17(1), while a member with the intention of reducing the member support.

When it is discovered that a member or legal representative improperly divested an asset(s), that member shall be charged member support as if divestment did not occur.

801—10.18(35D) Commencement of civil action. The commandant or designee may file a civil action for money judgment against a member or discharged member or the member's legal representative for support charges when the member or discharged member fails to pay member support in accordance with 801—Chapter 10.

801—10.19(35D) Income. This rule describes the treatment of income, as defined at rule 801—10.1(35D), in the computation of member support as described at rule 801—10.14(35D).

10.19(1) For members living on Title XIX certified units who are eligible for Title XIX medical assistance, rule 441—75.5(249A) shall apply. For those members participating in the Title XIX medical assistance program, the difference between the \$140 personal needs allowance and the Title XIX personal needs allowance shall be returned to the member out of individual member participation.

10.19(2) For members living on units which are not Title XIX certified and members living on Title XIX certified units who are not eligible for Title XIX, the following shall apply:

- a.* The following types of income are exempt in the computation of member support:
 - (1) The earned income of the spouse or dependents.
 - (2) Unearned income restricted to the needs of the spouse or dependents (Social Security, DVA, etc.).
 - (3) Any other income that can be specifically identified as accruing to the spouse or dependents.
 - (4) Nonrecurring gifts, contributions or winnings, not to exceed \$60 in a calendar quarter.
 - (5) Interest income of less than \$20 per month from any one source.
 - (6) State bonus for military services.
 - (7) Any earnings received by a member for that member's participation in money-raising activities administered by veterans organizations or auxiliaries.
 - (8) Any money received by a member from the sale of items resulting from a therapeutic activity.
 - (9) The first \$150 received by a member in a month for participation in the incentive therapy or other programs as described in rule 801—10.30(35D), for members in the domiciliary level of care. For members in the nursing level of care, the first \$75 shall be exempted.
 - (10) Personal loans.
 - (11) In-kind contributions to the member.
 - (12) Title XIX payments.
 - (13) Yearly DVA compensation clothing allowance for those who qualify.
 - (14) Other income as specifically exempted by statute.
 - (15) Any income similar in its origin to the assets excluded in subparagraphs 10.16(2) "a"(6) and (7).
 - (16) Income from employment as outlined in the IVH discharge planning policy (IVH policy #265).
- b.* Personal needs allowance. All members shall have an amount exempted from their monthly income intended to cover the purchase of clothing and incidentals.
 - (1) All income up to the first \$140 shall be kept as a personal needs allowance.
 - (2) The personal needs allowance shall be subtracted from the member's income prior to determination of moneys to which the spouse may be entitled.
- c.* Any type of income not specifically exempted shall be considered for the payment of member support as provided in rule 801—10.14(35D).
- d.* Determining income from property.
 - (1) Nontrust property. Where there is nontrust property, income paid in the name of one person shall be available only to that person unless the document providing income specifies differently. If payment of income is in the name of two persons, one-half is attributed to each. If payment is in the name of several persons, the income shall be considered in proportion to their ownership interest. If the

member or spouse can establish different ownership by a preponderance of evidence, the income shall be divided in proportion to the ownership.

(2) Trust property. Where there is trust property, the payment of income shall be considered available as provided in the trust. In the absence of specific provisions in the trust, the income shall be considered as stated above for nontrust property.

e. The amount of income to consider in the computation of member support shall be as follows:

(1) Regular monthly pensions and entitlements. The amount of income to be considered is the amount of the monthly entitlement or pension received.

(2) Investments or nonrecurring lump-sum payments. Net unearned income from investments or nonrecurring lump-sum payments shall be determined by deducting income-producing costs from the gross unearned income. Income-producing costs include, but are not limited to, brokerage fees, property manager's salary, maintenance costs and attorney fees.

(3) Property sold on contract. The amount of income to consider shall be the amount received minus any payments for mortgage, taxes, insurance or assessments still owed on the property.

(4) Earned income from a rental, sole or partnership enterprise. The amount of income to consider shall be the net profit figure as determined for the Internal Revenue Service on the member's income tax return.

EXCEPTION: The deductions of the previous year's state and federal taxes and depreciation on the income tax return are not allowable deductions for the purpose of the computation of member support. If a tax return is not available, the member or legal representative shall provide all information and verification needed in order to correctly compute member support.

(5) Partnership income. The member's share of the net profit shall be determined in the same manner as the partnership percentage as determined for Internal Revenue Service's purposes.

10.19(3) Member income diversion to dependent spouse not living at IVH. A portion of the member's income shall be diverted to the spouse according to the following:

a. Spouse living in the community. One-half the income in exclusion of an amount equal to aid and attendance and after reduction of personal needs allowance.

b. Spouse in another nursing home not on Title XIX. The same amount as a spouse living in the community in accordance with paragraph 10.19(3) "a."

c. Spouse in nursing home on Title XIX. Member shall be treated as single. If member is in receipt of DVA pension, the amount of income provided Title XIX spouse would be the DVA pension dependency amount.

d. Spouses living in a residential care facility. Spouses shall be treated under the same rules as a spouse living in the community in accordance with paragraph 10.19(3) "a."

e. All current court order proceedings and guardian/conservatorship appointments regarding financial obligations, except child support or alimony, shall be honored.

10.19(4) Income disbursements.

a. All monthly diversions to spouse or valid court orders shall be mailed as designated or on a monthly basis.

b. All checks shall be mailed no later than the eighth day of any given month to proper recipient or, at IVH's option, five business days after the member's last income deposit for that month.

c. Monthly income disbursements to a community spouse may be delayed or canceled if there is an overdue amount owed for support payments.

801—10.20(35D) Other income.

10.20(1) When a member receives regular monthly payments of unearned income, it shall be included in the resources available for the payment of member support.

10.20(2) When a member receives periodic recurring income which is received less frequently than monthly, this countable income, after the deduction of any allowable income-producing expenses, shall be considered in the month received.

10.20(3) When a member receives a nonrecurring retroactive payment from a specific entitlement source for a prior period of time, it shall be considered as income in the month received. The aid and attendance amount of the DVA pension shall be computed as a manual adjustment (available to member due to IVH nursing care).

10.20(4) Income from a particular source is considered terminated as of the date the member receives the last income payment from that source or the date that a sole or partnership enterprise ends, whichever is later.

10.20(5) When income from a particular source decreases in a calendar month, the decrease in income shall be considered in the computation of that month's member support. Income from a particular source is considered to be decreased as of the date the member receives the first income payment in the decreased amount.

10.20(6) When income from a particular source increases in a month, the increase in income shall be considered in the computation of that month's member support. Income from a particular source is considered to be increased as of the date the member receives the first income payment in the increased amount.

10.20(7) Recurring lump-sum payments shall be treated as income in the month received.

10.20(8) Nonrecurring lump-sum payments earned prior to admission, regardless of when received, shall not be counted as income but may be considered as an available liquid asset.

10.20(9) Any income as defined in rule 801—10.20(35D) that exceeds the member support billing for that month shall thereafter be considered a liquid asset available under rule 801—10.16(35D).

10.20(10) Employment is only allowed as identified in the IVH discharge planning policy (IVH policy #265).

[ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter]

801—10.21(35D) Fraud. Applicants, members or legal representatives who knowingly conceal the existence of resources may be subject to the billing of full member support, discharge for failure to pay for member's care or denial of admission. Further, members who knowingly conceal liquid assets or income which would have affected member support shall be charged for the amount not previously billed due to the fraudulent act. If upon admission it is determined that medical or other pertinent information provided during the application process was fraudulent, notice of discharge may be issued. In addition, any applicant, member or legal representative suspected of fraud may be referred to the department of inspections and appeals, division of investigations, for possible criminal or civil action. The attorney general's office shall conduct the investigation.

801—10.22(35D) Overcharges. When it is discovered that a member was charged for support in excess of the amount actually due, the member shall receive a refund or credit to the member's account. If the member is discharged or deceased, a refund shall be conveyed to the member or legal representative.

801—10.23(35D) Penalty.

10.23(1) All members who have resources in excess of the full support rate shall be charged the full member support rate. If any member does not apply for all benefits due (such as, but not limited to, Title XIX, DVA pension, DVA compensation, Social Security, or any combination), fails to report resources accurately in order to not pay full support, or refuses to accept the available billing programs offered at IVH, that member shall be charged up to full member support as if these responsibilities had been followed. Failure to comply with these rules may result in discharge from IVH.

10.23(2) If a member is required to pay full member support under these rules, the monthly charge shall be calculated as the per diem in paragraph 10.15(1) "a" or 10.15(1) "b" times the billable days less any offsets. The only exception to this monthly charge will be the additional amount of aid and attendance in the DVA retroactive payment for the time period of nursing care at IVH. This amount, in total, shall be due regardless of resources available. If a member is required to pay member support based on additional resources, these figures shall be obtained from the appropriate agencies.

801—10.24 to 10.29 Reserved.

801—10.30(35D) Incentive therapy and nonprofit rehabilitative programs. Members may be offered the opportunity to perform services for IVH through the incentive therapy program as part of their plan of care. Participating members shall be compensated for their involvement in the incentive therapy program according to applicable guidelines established by the U.S. Department of Labor, Wage and Hour Division, and the commandant or designee. If members enrolled in nonprofit rehabilitative programs receive an income from such programs, that income shall be treated in the same manner as the incentive therapy program or IVH policy.

This rule is intended to implement Iowa Code section 35D.7(3).
[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter]

801—10.31 to 10.34 Reserved.

801—10.35(35D) Handling of pension money and other funds. Each member who has not been assigned a guardian, conservator, fiduciary or representative payee or has not designated a power of attorney while competent or as otherwise specified, may manage that member's own personal financial affairs. Upon the receipt of written authorization from the member or legal representative to the commandant or designee, the commandant or designee may assist the member in the management of the member's financial affairs.

10.35(1) Pension money or other funds deposited with IVH are not assignable except as specified at subrule 10.19(3) or 10.40(2) "b"(1).

10.35(2) If authorized by a member, the commandant or designee may act on behalf of that member in receiving, disbursing, and accounting for personal funds of the member received from any source subject to the requirements of Iowa Code section 135C.24. The authorization may be given or withdrawn in writing by the member or legal representative at any time. The authorization shall not be a condition of admission to or retention at IVH.

10.35(3) IVH shall maintain a commercial account with a federally insured bank for the personal deposits of its members. The account shall be known as the IVH membership account. The commandant or designee shall record each member's personal deposits individually and shall deposit the funds in the membership account where the members' deposits shall be held in the aggregate. Interest shall accrue on those accounts that are on deposit the last working Friday of each month. IVH may withdraw moneys from the account maintained pursuant to this subrule to establish certificates of deposit for the benefit of all members.

10.35(4) If authorized in writing by the member or legal representative, the commandant or designee may make withdrawals against that member's personal account to pay regular bills and other expenses incurred by the member. The authorization may be given or withdrawn in writing by the member or legal representative at any time. The authorization shall not be a condition of admission to or retention at IVH.

10.35(5) The commandant or designee shall maintain a written record of each member's funds which are received by or deposited with IVH. The member or legal representative shall receive a monthly statement showing deposits, withdrawals, disbursements, interest and current balances. If the commandant or designee is made representative payee for the member's financial transactions, this statement shall be maintained in the member's administrative file.

10.35(6) Except as otherwise specified, funds deposited with IVH shall be released to the member or legal representative upon request with a statement showing deposits, disbursements, interest, and the final balance at the time the funds are withdrawn. When the member continues to maintain residency at IVH, the funds shall be released and statement provided within three working days following the request. When a member is being discharged from IVH, the funds shall be released and a statement provided no later than the tenth day of the month following the month of discharge.

10.35(7) Upon the death of a member with personal funds deposited with IVH, IVH will first take payment for the final support bill. If funds remain, IVH will convey promptly the member's funds to any outstanding funeral home bill, the individual paying last funeral expenses, or whoever is administering the member's estate. If probate papers are produced, a final accounting of those funds must also be

provided to the individual administering the member's estate. If the value of the member's estate is so small as to make the granting of administration inadvisable, IVH must hold, then deliver all money plus interest within one year to the proper heirs equally or adhere to the member's request in the member's last will and testament.

This rule is intended to implement Iowa Code sections 35D.11(2) and 35D.12(2).
[ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter]

801—10.36(35D) Leave, bed holds and 96-hour passes.

10.36(1) *Non-Title XIX members.*

a. Members are free to leave IVH grounds unless contraindicated by medical determination. In cases where it is determined to be medically contraindicated and a member chooses to leave, the member or legal representative must sign "Discharge Against Medical Advice," Form 475-0940.

b. Leaves are required if the member expects to be absent past midnight.

c. All leaves other than free time shall require payment of member support charges as though the member were in residency. Failure to pay regular member support charges shall result in discharge of the member. Leave length may be changed by notification from the member or legal representative to the nursing unit social worker or domiciliary office.

d. Hospital leaves. Leaves spent in approved medical facilities away from IVH shall not be counted against the 59-day leave time limit as set out in paragraph 10.14(3) "b."

Hospital leaves shall be granted and the charges for such leaves shall be as follows: During the first ten days of any hospital stay, the member shall pay the regular and usual assessed charge of the level of care of the bed held. Beginning on the eleventh day through the remainder of the hospitalization, the member shall not be charged. Each monthly member support bill shall reflect any adjustments related to hospitalization. Members discharged while on leave from IVH shall have the account closed before the first of the month following the discharge.

Leaves to other medical facilities for the purpose of treatment shall be treated as hospital leaves.

e. General leaves.

(1) Twelve days of leave time each calendar year shall be free time.

(2) The member shall be charged the usual support charge for leave time over 12 days up to and including 59 days.

(3) The member shall be charged the full member support for the level of care in which the member resides for leave time over 59 days.

(4) Leave time is not cumulative from one calendar year to another calendar year.

(5) Leave time the member has not utilized or cannot utilize shall not be credited toward the member's support.

(6) Support charges for the member on leave who wishes to retain the member's room or bed shall be due and payable as though the member were in residency as set forth in paragraph 10.36(1) "c."

f. When the nursing care member is on leave, the member shall remain on in-house status for the first 12 leave days per calendar year for DVA per diem purposes and IVH shall be financially responsible for medical expenses unless these are assumed by the member or legal representative in relation to choice of medical facility.

g. When a member has used 12 non-hospital leave days, IVH is not financially responsible for any medical charges for the member while on leave.

10.36(2) *Members who are receiving Title XIX benefits.*

a. Members are free to leave IVH grounds unless contraindicated by medical determination. In cases where it is determined to be medically contraindicated and a member chooses to leave, the member or legal representative must sign "Discharge Against Medical Advice," Form 475-0940.

b. A leave as set out in paragraph 10.36(1) "b" is required if a member expects to be absent past midnight.

c. The member's bed shall be held while the member is visiting away from IVH for a period not to exceed 18 days in any calendar year. There is no restriction as to the amount of days taken in any one month or during any one visit, as long as the days taken in the calendar year do not exceed 18. Additional

days shall be allowed if the member's medical provider recommends in the plan of care that additional days would be rehabilitative.

d. A member or a legal representative who wishes to exceed the 18 visitation days and retain the member's bed, but does not have medical provider recommendation for an extension, must make arrangements with the financial services division administrator or designee for payment of the rate determined by the department of human services income maintenance worker for all days in excess of the 18 visitation days. If prior arrangements and payment are not made, a member may be discharged in accordance with subrule 10.12(2).

e. A bed shall be held for a hospitalized member. The member's client participation shall be paid according to the department of human services' income maintenance worker for all hospitalized days until member returns or is discharged.

f. IVH is not financially responsible for any medical charges for the member when visiting away from IVH.
